

A message from your chair,

Hello Vincent Massey Public School family and friends! I would venture to say that Halloween is my son Baz' favourite seasonal celebration. There have been few weekends of late, where we have not had to make detours to the nearby Home Depot or Canadian Tire, in order to see the various Halloween displays. He enjoys it all. Everything from the decorated yards, the costumes, to the strategic planning of the trick or treat route. More so, he enjoys, as he calls it, "all the spookiness". He loves a good spook. For all those that are participating in this year's Halloween festivities, have a wonderful time and stay safe.

Our next online council meeting is scheduled for **November 1 @ 5:30 pm**. Starting this coming council meeting, we will be joined by John Stephenson. John will be attending as a representative of Bowmanville High School and will be there to liaise and answer any questions parents or guardians may have regarding their children's transitioning to high school.

I want to take this time to remind all parents and guardians that it's never too late to join and take part in Parent Council meetings. As your council, we want to hear from you and we strive to ensure a welcoming and inclusive environment. Our intention as your council is to help foster an environment where parents and guardians know their views matter.

I also want to remind everyone, if you have any questions or concerns, please do not hesitate to reach out anytime to me via email or any member of your School Council.

I look forward to meeting with you,

Simon Farquhar
